Maharashtra Pollution Control Board

CC-Resubmission

Agenda no. 1

**Name of the Industry: Sunfresh Agro Industries Pvt. Ltd.,
E-2, MIDC Shirampur, Tal- Shirampur, Dist- Ahmednagar**

HOD Remarks:

- Applied for Consent to Establish.
- CI is Rs. 49.12/- Crs.

Industry has submitted their clarification vide letter dtd. 19.06.013 & stated that the generation of industrial effluent is 615 CMD, out of which 250 CMD effluent will be reuse/recycle and 365 CMD treated effluent dispose on own land for which industry having 19 Acres of land for disposal. Also stated that total plot area of land is having 96018 Sq. mtr. out of which up to 19450 Sq. mtr area will be under civil construction and remaining i.e. 76568 Sq. mtr (19 Acres) will be available for gardening/plantation.

As per built up area mentioned i.e. 19450 Sq mtr-, it does not attract EC.

- Recommended for grant of Consent to establish subject to condition of BG of Rs. 5/-Lakhs towards compliance of consent condition and condition of recycling of treated effluent 250 CMD in the industry for different purposes & only 365 CMD discharge on land.

JD(WPC)

Maharashtra Pollution Control Board

Agenda no. 2

**Name of the Industry: Sunfresh Agro Industries Pvt. Ltd.,
E-3, MIDC Shirampur, Tal- Shirampur, Dist- Ahmednagar**

HOD Remarks:

Applied for Consent to Establish.

CI is Rs.48.75/- Crs

Clarification regarding land availability for disposal and information of treated effluent reuse/recycle was called. Industry has submitted their clarification vide letter dtd.19.06.013 stated that the industry will generate total industrial effluent to the tune of 433 CMD, out of which 150 CMD treated effluent will be reuse/recycle and remaining 283 CMD treated effluent will be dispose on own land i.e. 20 Acres land available for disposal. Industry is having total plot area 100030 Sq. Mtr out of which up to 20257 Sq mtr area will be under civil construction and remaining 79773 Sq. mtr area will be used for gardening/irrigation.

Recommended for grant of Consent to establish subject to condition of BG of Rs. 5/-Lakhs towards compliance of consent condition and condition of recycling of treated effluent 150 CMD in the industry for different purposes & only 283 CMD discharge on land for irrigation/plantation.

Maharashtra Pollution Control Board

Agenda no. 3

**Name of the Industry: Pristin City, S. No. 157,
A/p- Bakori, Tal- Haveli, Dist- Pune**

HOD Remarks:

1. PP has applied for **consent to establish**.
2. The project covering total area of around **81980.0 sq.mtrs** with total built up area of **73779.41 sq mtrs**
3. PP has applied for **environment clearance** for the same area vides dated 10.12.11.
4. The total cost of the project is **Rs 209.25 Crore** for which they have paid Rs.430980.0 - as consent fees for Establish
5. Total water consuming **1393.0 m3/day** of water out of which 883.35 m3/day fresh water will be supplied by PMC & generating about 1100 m3/day of sewage, which they propose to treat in the **STP of capacity 1150.0 m3/day**, Treated 397.51 m3/day waste water will be used for utilities, and partially of which 53.50 m3/day will be used for gardening.
6. The total solid waste generation as estimated will be **1250 Kg/D**, which will be segregated, the bio degradable portion will be mechanically composted within the project area & the manure of which will be used in their own premises as per the landscape plan which is 8916.57 sq mtrs for green belt development.
7. **4 no. of DG** sets each having capacity, 400 KVA.
8. Proposed site is located near about **4.50 Km from Bhima river**.
9. SRO pune-II has call information from applicant on 25/09/2012 (The reply of the same was not submitted by applicant)
10. RO, Pune has recommended for grant of consent to establish after receipt of satisfactory reply of query letter application forwarded to HQ on 17/01/2013.
11. Applicant has submitted reply of the query letter to MPCB sion on 22/02/2013 along with necessary document.

The case was discussed in CC meeting held on 28/03/2013 and during discussion it was decided to call report from RO/SRO regarding present status of the construction.

- This office has issued letter to RO Pune on 10/04/2013
- RO Pune has submitted reply along with visit report on 21/05/2013
During visit project proponent has completed about 5548 sq.mt construction work, PP has stop construction activity.
- PP has submitted undertaking about not to start construction prior to obtaining Environment clearance & consent to Establish.

In view of above case may be consider by Board Resolution & undertaking to not start construction prior to EC & CtoE with separate BG for same.

RO(HQ)

Maharashtra Pollution Control Board

Agenda no. 4

Name of the Industry: Ramnath Lifespace Pvt Ltd., (Mouza - Bhokara)

Survey No. - 56/1, 56/, 56/3, 56/4, 56/5 & 64 Mauza- Bhokara,
Tal- Nagpur, Dist- Nagpur

HOD Remarks:

1. The PP has applied for C to E for proposed infrastructure project at Survey No- 56/1,56/2,56/3,56/4, 56/5 & 64 Mauza - Bhokara, Tehsil - Nagpur, Dist – Nagpur **for the total plot area 50,992.20 sq. mtrs. and total built up area is 27339.25 sq. mtrs. (C5)**
2. PP has submitted details of commencement certificate & approved plan of competent authority are submitted. **(C 15 -17)**
3. PP has not submitted a copy of EC. As well as, EC application acknowledgement copy of Envi. Deptt. Also not submitted. However, applicant has submitted that EC under scrutiny process at SEAC. **(C1)**
4. PP has submitted NOC of local body. **(C14)**
5. Capital investment is **3064.72 lakhs. (C12)**
6. Total water consumption will be **244 CMD** and DE generation will be **184 CMD. (N2 & N4, C6)**
7. PP has proposed to provide STP having capacity of **225 CMD** for treatment of domestic effluent **(N4)**. But, details not submitted.
8. Detail of solid waste generation & management are not submitted. PP has not submitted details of rainwater harvesting & Green area. **(C- 28-35)**
9. PP has proposed to install DG set of 2 MW capacity.**(C8)**
10. Visit report is not submitted by SRO.
11. Consent fees of Rs. 75,000/- paid by PP. **(N4)**
12. SRO, Nagpur has recommended the case for grant of C to E up to Commissioning of project or five year whichever earlier.

- **Case was discussed in the CC meeting dated 28/06/2013. The case was deferred by CC and it was decided to issue prosecute the project proponent and also disconnect their electric supply and water supply for PP has not stop the work inspite of directions issued by board.**
- **Board has issued SCN on16/04/2013**
- **PP has submitted reply of the SCN on 27/06/2013 on day before CC meeting and hence not discussed SCN reply in CC.**
- **PP has stated that Construction activity immediately stopped after receipt of SCN. (Photo graphs attached with reply)**
- **PP has submitting Board of Directors Resolution and stoppage of work.**

Hence we may place the case in the CC for taking further decision.

RO(HQ)

Maharashtra Pollution Control Board

Agenda no. 5

**Name of the Industry: Deepak Novochem Technologies Ltd.,
Plot No. D-27 /2/1, MIDC Lote Parshuram, Tal- Khed, Dist- Ratnagiri**

HOD Remarks:

- Application received at Mumbai on 12/04/2013
- Application received at HQ on 23/05/2013.
- Industry is engaged in manufacturing of Petrochemicals holding consent valid up to 31.10.2014.
- Industry has applied for consent to establish for new plot with additional capacity of existing products.
- Proposed expansion requires EC as per EIA notification dated 14 Sep 2006.
- Industry has submitted undertaking on Rs 100 stamp paper stating that they are in process of obtaining EC.
- Existing I.E. – 16.5 CMD, ETP consist primary, treatment consisting of resin bed column. & treated effluent is recycled back into cooling tower therefore achieving zero discharge.
- Proposed I.E: 56 CMD. Separate ETP shall be provided consisting of Resin bed treatment, Toluene extraction treatment section, Charcoal treatment section, Reverse Osmosis. The entire treated effluent will be recycled in the process therefore achieving zero discharge.
- Mechanical dust collector system and 38.5 mt height chimney is provided for existing briquette boiler. Same shall be provided for the proposed briquette boiler.
- Existing industry is member of CHWTSDf at Taloja
- The case was placed before CC meeting dated.13.06.2013 and it was decided to issue SCN for refusal of consent as the location of the unit falls in Ratnagiri district and MoEF, Gol impose moratorium for this district for the industries which require EC.
- As per the decision of CC , SCN was issued on 01/07/2013 for refusal of consent. Industry vide their letter dtd. 08/07/2013 submitted their reply to SCN and informed that, industry is a zero discharge unit and not connected to Lote CETP in their existing facility and entire effluent was treated inhouse through resin bed / carbon bed / solvent extraction and recycle back to cooling tower basin. The same operating philosophy will be followed for proposed expansion also. They have also mentioned that, the moratorium imposed by MoEF, Gol has excluded projects of National importance and the projects located in the notified industrial estates preferably with zero discharge and improved technologies from this moratorium vide letter dtd. 04.07.2011.

AS per the Office Memorandum dt. 4th July 2011 the project which are located in notified industrial estates which were received for TOR or EC before the moratorium was imposed in August 2010 are exempted from moratorium. In this case PP has not received TOR prior to August 2010; hence we may refused the consent.

AS(T)

Maharashtra Pollution Control Board

Agenda no. 6

Name of the Industry: Venkateshwara Hatcheries Pvt. Ltd., (Ventri Bio. Vaccine Div.)
Plot No. 20, Rajeev Gandhi IB Park, Hinjewadi, Village- Man, Tal-
Mulshi, Dist- Pune

HOD Remarks:

1. Application received at RO Pune on 28/11/2012 and at HQ on 16/02/2013
2. Capital Investment is Existing Rs. 9.68 Cr + Proposed expansion 61.13 Cr , Total CI Rs 70.81 Cr
3. New entry for CC.
4. Industry engaged in veterinary bio-vaccine .
5. Existing consent is valid up to 31.01.2015.
6. Applied for consent to establish for manufacturing of poultry vaccines-500 millions doses/M.
7. Existing IE: 43 CMD, Proposed IE : 7 CMD. DE: 20 CMD.
8. Unit provided full-fledged ETP comprising primary, secondary & tertiary system.
9. Disposal: The treated effluent will be partly reused for washing & flushing purpose & remaining will be used for gardening purpose.
10. Total effluent generation will be 50 CMD for which 60 CMD existing ETP will be adequate.
11. JVS reports are within limits.
12. RO Pune has recommended for grant of consent to establish for expansion.

As discussed in CC dated 10.07.2013 it was decided to keep the case in abeyance & put up in CC after receipt of reply from the industry to Boards email dt. 21.06.2013 regarding applicability of EC. Industry has submitted their reply on 01.08.2013 stating that proposed expansion is for mfg of poultry vaccines based on biological process without use of harmful chemicals like bulk drug. Also industry has submitted copy of certificate issued by FDA for mfg of poultry vaccine formulation (copy enclosed) & requested to reconsider their application by exemption it from EC requirement. The increase in C.I. is due to installation of plant & machinery required for proposed production confirms that they took effective steps without Board permission .The proposed expansion is for poultry vaccines (Biological based) without use of chemical process ,hence may not falls Scheduled 5 (f) of EIA notification 2006.

In view of above we may consider the case for Consent to establish for expansion by imposing EC condition if applicable & Board resolution with B.G. of Rs. 5 lakh & 2 lakh respectively.

AS(T)

Maharashtra Pollution Control Board

Agenda no. 7

Name of the Industry: Wipro Ltd.,

Plot No. 31, Rajiv Gandhi Infotech Park, MIDC, Phase-II, Hinjewadi,
Pune

HOD Remarks:

1. PP has applied for **consent to renewal** with expansion in investment for **IT & ITES activity**.
2. Earlier consent was valid for period upto **31/07/2008**.
3. PP has applied for renewal of consent on **20/08/2008** with capital investment 349.9 Cr, consent fees paid at that time **9,90,000/- for six years i.e. upto 31/07/2014** (PP not obtained consent from board)
4. Capital investment increase from. **330 Cr.in 2008**, 349.9 Cr in 2011,& **367.92 Crs in 2013**. Accordingly PP has paid difference fees.
5. PP has paid again fees from 2008, **Rs 30,71,363/-**
6. PP has submitted CA certificate for increase in investment.
7. Total plot area **199934.05 sq. m** & total BUA **1189933.sq.mt**. EC obtained.
8. In earlier consent granted by board for IT activity having plot area 2,00,000,sq.mt. BUA not mentioned.
9. PP has **obtained expansion on same plot having BUA 120949.99** sq.mt. From environment department accordingly PP has started construction of S-4
10. PP has not obtained consent to establish for the same and hence RO pune has issued **SCN on 28/02/2013 for the construction without Cto E**.
11. PP has applied for consent to establish expansion on **23/04/2013**.
12. PP has provided STP of **900 CMD capacity**.
13. Kitchen waste disposes through **vermicomposting**.
14. PP has installed **6 Nos of DG** sets having capacity **15000 Kva** each.
15. PP has submitted **cess return upto Jan 2013**.
16. RO Pune has recommended , we may consider the case for grant of renewal of C to R, only & inform the applicant to apply for C to E for expansion,

The case was discussed in CC meeting held on 28/06/2013 and it was decided to verify Builtup area from EC granted by MOEF.

- PP has obtained EC for Total plot area **199934.05 sq. m** & total BUA **1189933.sq.mt**
- Obtained consent to operate obtained for the same.
- PP has obtained Expansion for BUA **120949.99 sq.mt**. from SEAAC on the same plot.
Hence Consent to renewal (Plain) may be grant for period upto 28/02/2018

RO(HQ)

Maharashtra Pollution Control Board

Agenda no. 8

Name of the Industry: Ador Welding Ltd., Chinchwad Plant,
S. No. 147/2B/3, CTC No.5222, Akuridi Chinchwadgaon, Pune

HOD Remarks:

- Applied for consent to establish & 1st operate for expansion
- Application received at SRO- Pune on dtd 21/02/2013 and at HQ on 18/04/2013
- Existing consent is valid up to 31/08/2014
- Unit is located about 1.5 kms from River Bhima (Class A-4).
- Industry has provided ETP comprising of primary and tertiary treatment system for treatment of trade effluent. However, ETP is not in operation and discharging untreated effluent on open ground.
- Industry has provided Sewage Treatment Plant for treatment of domestic waste water. STP is also not in operation and domestic wastewater connected to soak pit.
- Multicyclone dust collection system provided to Powder Coating section. Paint booth provided for painting activity. However, painting activity is carried out in open space.
- As per earlier consent condition industry has not submitted Board resolution.
- Regional Officer, Pune, has recommended for forfeited the existing BG and impose additional BG
- The case has been discussed in the Consent Committee meeting held on 15/02/2013 and the Consent Committee has decided to issue SCN for refusal of expansion as well as revocation of earlier consent issued for non submission of their Board resolution as per the earlier consent conditions
- SRO PC Submitted the compliance report on 26/07/2013
- We may refuse the consent
- We may place the consent application before CC for further consideration.

JD(APC)

Maharashtra Pollution Control Board

Agenda no. 9

Name of the Industry: D'décor home Fabrics Pvt Ltd.,
F-6/1, MIDC Boisar-Tarapur, Tal- Palghar, Dist- Thane

HOD Remarks:

- 1) Applied for renewal of Consent. Applied at SRO on 04.05.13 & received at HQ on 18.06.13
- 2) .Total Capital investment of unit is Rs. 48.20 Cr.
- 3)Textile processing industry. IE generation 1050 CMD out of which 350 CMD is to be recycled/reused .
- 4)Provided secondary treatment followed by sand & Activated carbon Filter . After treatment effluent is discharge in to MIDC drain connected to CETP.
- 5)JVS results dtd 18.09.12 & 21.08.12 are within limits.
- 6)Industry has provided Multi cyclone dust collector for both the boilers with combine chimney of 34 meters height.
- 7)Submitted Env't statement. Cess returns submitted upto Feb 2013 & returns upto 2012.
- 8)Member of CHWTSDf & sending HW to CHWTSDf
9. Information on status of 350 CMD recycle condition was called from SRO as per decision of CC dtd 10.07.13.
10. SRO Tarapur reported that industry is recycling/reusing treated effluent of 350CMD.
11. Considering the report of SROP we may renew the consent In mean time recommended for renewal of Consent upto 31.01.16 with BG condition of 5 lakhs for O & M of PCS.

JD(WPC)

Maharashtra Pollution Control Board

Agenda no. 10

Name of the Industry: Lemken India Equipment Pvt. Ltd.,
MIDC Butibori Indl. Area, Tal- Hingna, Dist – Nagpur

HOD Remarks:

- Applied for renewal of consent.
- Capital investment is increased from Rs.38.03 Crores to Rs.56.42 Crores.
Justification for increase in Capital investment is not given by the industry.

Discussed in CC meeting held on 28.6.2013 and it was decided to issue SCN for refusal for not giving justification for increase in Capital Investment, not submission of Env. Statement & Hazardous Waste return. Accordingly the SCN was issued and industry vide their letter dated 18.7.2013 received on 26.7.2013 submitted reply to the SCN and clarified points raised in SCN.

In view of reply to SCN, we may grant renewal of consent for 1 year i.e. with extension of B.G. towards O & M.

JD(APC)

Maharashtra Pollution Control Board

Agenda no. 11

Name of the Industry: **Universal Starch Chem Allied Ltd.,**
Rawal Industrial Estate, Dada nagar, Shahada Road, Dondaicha,
Dist- Dhuke

HOD Remarks:

- Applied for Renewal of consent with expansion.
- Application received at HQ-26.O3.013.
- CI For Existing- 60.16/- Crs+ addl Rs. 10.74/- Crs Total CI- Rs. 70.90/-Crs.

- Evt. Statement submitted for the year-2010-11
- Assessment done up to 31.03.2011, Cess paid up to 31.03.2011
- Industry has provided joint ETP, having capacity of 1920 CMD in between M/s. Unique Sugars Ltd, M/s. Jaichandra Agro Indust. P.Ltd., M/s. Rawal Agro Chem Indust. P. Ltd. Those are having valid consent. Total generation of industrial effluent is 1635.5 CMD and domestic- 68 CMD.
- ETP comprising primary, secondary and tertiary treatment, disposal is on land for gardening/irrigation. Land available for disposal is 285 Acres. The stds of BOD & COD are exceeding the limit 30 & 250 respectively SRO, Ahmednagar has recommended for renewal of consent subject to suitable BG.
- SRO, Jalgaon-II has recommended for renewal of consent. Company vide letter dtd. 8.07.2013 informed that the CI is increased due to investment in plant and machinery for increasing production capacity and have applied also, but since they did not get consent , they have not increased their production as yet and has given production figures for last 2 years, which confirms the say of company.

Considering all above , it is resubmitted for reconsideration for grant of renewal of consent with expansion and condition for use of ETP sludge as manure. However the BOD limit may be considered as 30 mg/lit considering nearness of river may be non- notified. Industry has submitted relevant consent fees for expansion and operate for the period up to 30.11.2014. Recommended for grant of consent to operate with expansion up to 30.11.2014 with BG of Rs 5.0/- Lakhs for O & M of pollution control system and 5.0/- Lakhs for modification of ETP.

JD(WPC)

Maharashtra Pollution Control Board

Agenda no. 1

Name of the Applicant: Sandesh Infrastructure Pvt. Ltd.,
Nagpur - Wardha Road, Mouza- Jamtha, Dist- Nagpur

HOD Remarks:

- M/s. M/s. National Institute of Securities Market, Tal- Khalapur, Dist- Raigad. has applied for consent to Establish Consent for construction Project.(Institutional project)
- Total plot area – 249686 sq.m; Total BUA- 59858.85 sq.m. (NS-2)
- Total no Buildings- 21.(NS-2)
- Application received at RO Raigad, vide FTS no-130516FT-0081 and at HQ on 31/05/2013.
- Project proponent has applied for E.C. (C-21)
- The C I of the project is Rs. 307 crs.(C-33)
- The site is located at a distance of 1.5 Km from Patalganga River in A-II class.
- The proposed site falls under MIDC Area (C-1)
- Water consumption for domestic purpose-425.0 CMD; Domestic effluent generation 259.0 (NS-2).
- Proposed two nos of STP-110 CMD &150 CMD capacities
- H.W. Generation (NS-3)
 - 5.1 Used oil/Waste oil- 0.006 Ltr/Month
 - 33.3-Discarded containers-01 Nos/M.
- MSW generation-(NS-3)
 - Dry waste- 443 Kg/day
 - Wet waste 443 Kg/day
 - STP sludge-52 Kgday

Recommendation of RO/SRO- RO Raigad has recommended to grant consent to establish subject to condition that the applicant shall obtain EC from GoM

Recommendation at HQ- We may consider C to E with B.G. Protocol.

RO(HQ)

Maharashtra Pollution Control Board

Agenda no. 2

Name of the Applicant: ASK Chemicals India Pvt. Ltd.,
D-33/2, MIDC- Kurkumbh, Tal- Daund, Dist-Pune

HOD Remarks:

- Application received at RO on 23/05/2013 & at HQ on 20/07/2013.
- Industry is engaged in manufacturing of phenol resins products- 1600 MT/M.
- Application is for Consent to Establish. It is new CC entry.
- Products attract EC.
- Proposed I.E. – 54.0 CMD, Proposed D.E. – 14.0 CMD. Proposed to provide full fledged ETP & treated effluent will be recycled in the process. Septic tank followed by soak pit will be provided for treatment of domestic effluent.
- Cyclone dust collector attached to stack of 20 mtrs height is proposed for boilers (FO/Briquette as fuel).
- SRO has issued query letter regarding membership of CETP/CHWTSDf, details of Haz. Waste & disposal, open space availability, capacity of ETP, certificate of authorized recycler etc. But till date reply is awaited from PP.
- RO has recommended that decision regarding grant of consent may be taken at higher level as performance of CETP Kurkumbh is not satisfactory & with applicability of EC.

We may consider the case for consent to establish by imposing zero discharge condition to CETP & imposing condition to obtain EC before commencement of unit.

AS(T)

Maharashtra Pollution Control Board

Agenda no. 3

Name of the Applicant: Rama Krishi Rasayan (Div. of Rama Phosphates Ltd.),
Gat No. 40, Lonikalbhor, Tal - Haveli, Dist- Pune

HOD Remarks:

1. Application received at SRO Pune-I on 26.03.2013 and at HQ on 30.05.2013.
2. Capital investment: Existing: Rs.35.65 Cr. Proposed : Rs.1.5 Cr. Total – Rs. 37.15 Cr.
3. Applied for consent to establish for change in physical form of SSP.i.e from powder form to granulation form (Production capacity remains the unchanged).
4. Existing IE: 130 CMD, DE: 7.0 CMD. Proposed I.E. - Nil, D.E.-Nil. ETP comprising primary treatment is provided. Treated effluent is recycle in process & remaining is discharge on land for gardening .JVS repots within the limit.
5. APC equipments of adequate capacities are provided for existing plant. Also proposed to provide additional APC i.e. cyclone/dust collectors with bag house to reduce SPM emissions after modification.
6. Industry located @ 700 meter away from river Mula-Mutha in A-II class & attracts RRZ distance criteria for modification.
7. As per this office email dated 01.07.2013 & 12.07.2013 industry has submitted proforma of no increase in pollution load in Boards format on 12.07.2013.As per the proforma submitted by industry it seems that SPM emissions before substitution & after substitutions remains same but industry has proposed to install additional APC due to which at tail end of chimney SPM emissions will be reduce.
8. Cess Paid up to April 2012 & cess returns submitted up to March 2013.
9. Env. Statement & Haz. Waste report in Form IV submitted.
10. RO Pune has recommended that decision regarding grant of consent may be taken at HQ level.

Industry has proposed to some changes in mother plant by installing dryer, cyclone dry scrubber & bag filters as balancing APC system to achieve SPM concentration below 100 mg/NM3 against consented 150 mg/NM3 .

As there is no increase in pollution load at source, we may consider the case for C to E for change in physical form of powder SSP to granulated SSP.

Agenda no. 4

Name of the Applicant: Meridian Buildpro Pvt. Ltd.,

Plot No. 394A & 39C, PS-1, Village Panchpakhadi, Tal & Dist- Thane

HOD Remarks:

- M/s. Meridian Buildpro Pvt Lyd has submitted Application for grant of Consent to Establish for Residential and MMRDA rental Housing Project at Plot no: 394A and 394 C TPS-1 Village: Panchpakhadi Tal and Dist : Thane having area details as under:
Total Plot Area: - 12,257.66 sq.meters
Proposed BUA [As per FSI : 20,582. 52 sq meters
Total Construction Area: - 40,658.16 Sq. meters
- Application received at RO 22/05/2013 and HQ on 20/07/2013
- Applicant has submitted undertaking stating project cost is 145 Crs.
- The project proponent has obtained Environment Clearance from Expert Appraisal Committee of Env't Dept. Govt Maharashtra for proposed Residential and MMRDA rental Housing Project videno: SEAC 2013/CR-154/TC-1 dated: 16/04/2013

Applicant has obtained Location clearance and layout approval for proposed rental scheme vide letter dated: 31/10/2012 from MMRDA.

Proposed to provide STP 2nos of 250 CMD capacity for treatment of sewage. details of water consumption as under :-

Water consumption – 287 CMD

Sewage Generation –230 CMD.

Project proponent Proposed to provide nos of STP of capacity 300 CMD

Non-hazardous Waste generation details

Bio-degradable Waste :- 427 kg/day

Non –biodegradable waste :- 640 kg/day

- Proposed to provide Mechanical Composting Bio Degradable Waste for disposal of MSW.

- Present status of construction work :-

At present here is no any construction work not yet started.

SRO Thane-I has recommended grant of C to E for Residential and MMRDA rental Housing Project.

Recommendations (HQ) :-

- Project proponent has paid fees of Rs. 2, 90,100/-towards grant of C to E.
- The project proponent has obtained Environment Clearance from Expert Appraisal Committee of Env't Dept. Govt Maharashtra for proposed Residential and MMRDA rental Housing Project videno: SEAC 2013/CR-154/TC-1 dated: 16/04/2013
- At present here is no any construction work not yet started.
- Applicant has obtained Location clearance and layout approval for proposed rental scheme vide letter dated: 31/10/2012 from MMRDA.
- Recommended grant of C to E for Residential and MMRDA rental Housing Project with BG protocol.

1. Application for C to E, New entry in CC list.
2. Application received at SRO on 21.05.13 and at HQ on 30.07.13 .
3. Applied for production of Granulated Single Super Phosphate-18000 MT/M.
4. Industry has not submitted distance certificate from Kal River.RO vide letter dtd- 21/06/2013 has asked industry to submit distance certificate as per RRZ policy and certificate of no increase in pollution load from competent authority.
5. We may consider the case for C to E by imposing E.C condition and submission of distance certificate from irrigation department.

AS(T)

Maharashtra Pollution Control Board

Agenda no. 7

Name of the Applicant: Aarti Drugs Ltd.,
Plot No. N-198, 9, MIDC Tarapur, Tal- Palghar, Dist- Thane

HOD Remarks:

1. Existing industry granted Consent to Operate on 13/06/2012 for mfg. of 5 Nos. of Bulk Drug products with the total production quantity of 1,910 MT/M with the validity upto 31/08/2014.
2. Industry application dtd. 30/11/11 for grant of Consent to Establish for expansion of existing plant was returned back by R.O.(Thane) on 30/11/12 for non-submission of no increase in pollution load certificate.
3. Industry has resubmitted application for grant of Consent to Establish for expansion of existing plant alongwith "No increase in pollution load" Certificate dtd. 7/12/12 issued by ICT, Mumbai.
4. SRO in his processing report has mentioned that additional water of 238.7 CMD will be required for cooling/boiler purpose; 4.0 CMD will be required for domestic purpose; 2.89 CMD will be required for industrial process and 10 CMD for gardening purpose. Net dischargeable Sewage (7.5 CMD) and industrial effluent (63.10 CMD) are shown same as that of existing unit.
5. Industry has submitted "No increase in pollution load" Certificate issued by ICT, Mumbai dtd. 7/12/12 stating that the company is recovering huge amount of ammonium sulphate from 160 CMD of process effluent which otherwise would have gone in the ETP. The dilute Ammonium Sulphate solution is evaporated and the concentrated slurry is centrifuged. Wet cake is dried in Rotary drier.
6. CPCB has issued directions u/s 5 of EPA 1986 on 2/11/2010. SRO reported compliances of directions by industry on 15/12/10.
7. Industry has applied to MoEF for approval of TOR for proposed expansion vide letter dtd. 29/12/11.
8. Industry has paid Consent to Establish fee as follows:

DD No.	Amount	dtd.	drawn on
171616	50,000/-	15/11/2011	Union Bank of India
9. Consent to Establish may be granted by imposing following conditions-
 - (i) not to take effective steps towards expansion of industry till E.C. is obtained for proposed expansion.
 - (ii) submission of B.G. of Rs. 5.0 Lakh towards compliance of the above Condition.
 - (iii) submission of Company's Board Resolution that it will not violate the Environmental Laws in future within 15 days.
 - (iv) submission of B.G. of Rs. 2.0 Lakh towards compliance of the above Condition.

Name of the Applicant: Ashar Realtors,
Survey No. 324A, Village Majiwade, Pokhran Road No., Thane (W)

HOD Remarks:

M/s. Ashar Realtors has applied for 1st consent to Operate for their Residential project at survey no: 342A, Village : Majiwade, Pokhran Road no: 2, Thane (W)

Application received at RO 03/10/2012 and HQ on 15/05/2013

Area Details of Project :-

Total Plot Area :-23,162.00 sq.meters

Total Built up area :- 30,147 sq.meters

Earlier Project proponent has obtained consent to establish from MPCB vide no: BO/RO(P&P) Thane/51 dated: 15/12/2005 , having area details as under:

Area Details of Project :-

Total Plot Area :- 25084.43 sq.meters

Capital investment of Project is Rs. - 38.14 Crs

The project proponent has obtained Environment Clearance from Expert Appraisal Committee of GOI vide no: 21-567/2006-1A.III dated: 04/07/2007 for Residential project.

Area Details of Project :-

Total Plot Area :-23,162.00 sq.meters

Total Built up area :- 30,147 sq.meters

Details of water consumption as under :-

Water consumption - 128 CMD

Sewage Generation –102 CMD

STP capacity : 140 CMD

Non-hazardous Waste:

Dry Waste :- 250.00 kg/day

Wet Waste :- 70.00 kg/day

STP Sludge (Dry sludge) : 30.00 Kg/day

Project proponent has obtained Occupancy certificate from TMC on 08/11/2010.

As reported by SRO Thane –I earlier they have issued the queries letter to applicant vide letter dtd. 09/11/2012 followed by reminders dtd. 3/12/2012, 20/12/2012, 22/04/2013 to comply query asking them to

Considering above points RO Thane has recommended cases for refusal of Consent to operate.

SRO Thane-I vide their letter dated: MPCB/ROT/1151 1306241Ft0050 dated: 07/06/2013, has submitted their compliance report on above referred query letters based on industries reply dated: 09/05/2013 and 15/05/2013 submitted as under :

- The applicant has clarified that the STP which is provided is MBBR technology in plastic tank .
- Bio- Composter for wet garbage is provided and non-biodegradable waste is collected by TMC.
- CA certificate with address of company is submitted.
- Required additional consent fees is paid through D.D. no: 0049995 dated: 15/03/2013 drwan on Indian overseas bank for Rs. 90000/-
- Part of treated sewage is used for flushing and gardening as recycling arrangement and separate tank compartments.
- Regarding handed over of flats without obtaining consent to operate - project proponent replied hat they have submitted application for consent to operate on 26/09/2012 . After four months the

Maharashtra Pollution Control Board

- date of application, the consent to operate is deemed to have been granted unconditionally. as such there is no violation whatsoever on their part.

SRO Thane-I has recommended grant of 1st Consent to Operate up to : 31/10/2014 by imposing BG of Rs. 10 lakhs towards O&M of STP and MSW treatment facility.

Recommendation of HQ :-

- Application is for Consent to Operate
- Consent to establish and Environmental clearance is expired.
- Construction completed and handed over flats
- OC obtained in November 2010.
- This case was pending with RO /SRO Thane due to non-submission of information called from Project proponent and has communicated deemed consent
- However, now Project proponent had replied previous queries.
- We may discuss, since Consent to establish and Environmental clearance is expired and handed over flats on Consent to Operate.

JD(APC)

Maharashtra Pollution Control Board

Agenda no. 21

Name of the Applicant: Excel Industries Ltd.,
Plot No. D-9, MIDC Lote, Tal- Khed, Dist- Ratnagiri

HOD Remarks:

- Application for renewal of consent with change in product mix.
- Product- Chemicals. Existing consent granted on 05/11/2012 which is valid up to 31/07/2013.
- Application received at SRO on 03/05/2013 and at HQ on 06/06/2013.
- IE generation as per Existing consent is 85 m3/d. There will not be any change in IE generation due to proposed change in product mix. Industry has provided primary, secondary treatment and sand filter. Treated effluent is discharged to CETP. Analysis results are within consented limits.
- Industry has submitted "No Increase in Pollution Load" certificate from ICT, Matunga, Mumbai.
- Application for amendment in consent for change in product mix was discussed in CC meeting dtd.10.07.2013 and it was decided to keep the case in abeyance and put up in next CC along with combine application for renewal of consent. Now application for renewal of consent is received on 7.8.2013.

In view of this, We may consider the case for product mix by imposing conditions (1) to (5) mentioned on Pg. no. 113 & 114 of No Increase in Pollution Load Certificate. Also the condition of No increase in pollution load with BG of Rs. 5 Lakh towards O & M of PCS.

AS(T)

Maharashtra Pollution Control Board

Agenda no. 22

Name of the Applicant: **Smruthi Organics Ltd.,**
Plot No. A-7, MIDC Chincholi, Tal- Mohol, Dist- Solapur

HOD Remarks:

1. Application received at SRO Pune-I on 26.04.2013 and at HQ on 03.06.2013.
2. Capital investment: Existing : Rs.27.75 Cr. Current : Rs.51.97 Cr.
3. Applied for Renewal of Consent with increase in C.I.
4. Located about 6 km away from river Sina in class A-II.
5. IE: 89.5 CMD, DE: 19.5 CMD. For high COD stream MEE is provided. ETP comprising primary followed by secondary treatment is provided for low COD stream & MEE condensed. Treated effluent discharged to CETP. JVS reports are not within the limits.
6. Cyclone dust collection system is provided to coal fired boiler & wet scrubber is provided to bagasse fired boiler.
7. Industry has submitted their clarification regarding increase in C.I. vide their email dated 08.07.2013 stating that C.I. is due to installation of new MEE, Air handling unit & accessories, plant modification & lab equipment upgradation ,new biological treatment plant ,R & D etc. which seems to be in order.
8. Previously industry was defaulter of CETP for which Board has issued Conditional Direction on 20.06.2013 by obtaining B.G. of Rs. 5 lakh. for non compliance of Conditional Direction dtd 20.06.2013 same was forfeited as per Conditional directions dated 04.01.2013 by obtaining fresh B.G. of 10 lakh valid for 16.01.2014 .
9. SRO Solapur has submitted compliance report of conditional direction along with JVS reports on 26.07.2013. As per compliance report submitted by SRO it seems that industry has complied except installation of Reverse osmosis & JVS results not meeting the consented standards .
10. Cess Paid up to 30.09.2012 & cess returns submitted up to 31.03.2013.
